# COMMENTS FROM THE CHAIR

**First of all I would like to wish all our members a Happy, Healthy, & Prosperous 2014!**

**I look forward to taking over the helm as Chair of the OVSCC, and would like to thank our outgoing Chair, Ken Kyte, on the outstanding job he did on behalf of the Chapter.**

**Congrats to all of the membership in supporting the Chapter winning the National Membership Retention Contest with 91% sign up! The Twin Cities came in second with 89% and Quebec was third at 88%. The monetary prize will assist our Chapter in future events.**

**The Chapter Merit award goes to Dave Mosko who has stepped down as Treasurer after over 10 years as serving in that capacity.**

**Also, thanks to Brandon Lane who has served as Newsletter Editor for many years.**

**Like my predecessor, this is my 3<sup>rd</sup> time as Chair of the OVSCC. I would like to invite any of our current members to get involved with the activities in our Chapter or consider being a Board Member. In most cases it does not take much time and you get to meet and work with our members.**

**We are looking for speakers for our 2014 meetings. If anyone knows of someone that can present a “Unique Topic” to our membership, please contact anyone on the Board.**

**Stay warm and I hope to see you all at our February 19<sup>th</sup> meeting.**

**-Joe Jendzio**

Topic: *Understanding Karl Fischer Titration***

### Speaker Bio:

Doug Clark is currently the National Technical Specialist for HYDRANAL® at Sigma-Aldrich in St. Louis. With over twenty five years of experience, the last sixteen years have been dedicated to Karl Fischer titration. Since Karl Fischer titration isn't something taught in most schools in the US, Doug was fortunate to have worked directly with several of the world's leading experts in Karl Fischer such as Mrs. Helga Hoffmann, Dr. Katrin Schöffski, and Mr. Thomas Wendt. Also, Dr. Eugen Scholz has been a most valuable resource.

Rosemont, IL (Chicago)

**Attendance is FREE!**

Register online at the SCC Midwest Chapter website ([www.midwestscc.org](http://www.midwestscc.org))  
Social Night April 8, 2014

New colleagues are waiting, new concepts abound and innovations are within reach - discover them in Chicago. The Midwest Chapter Society of Cosmetic Chemists (SCC) will host TEAMWORKS 2014, the premier exhibition for formulators among the specialty chemical allied trades, on April 9, 2014, at the

Donald E. Stephens Convention Center in Rosemont, Illinois-conveniently located near O'Hare International Airport.

Chemists, chemical buyers, engineers and technologists in the cosmetic, personal care, home care, pharmaceutical and other allied industries will mingle among 135 booths representing prime technology suppliers in the industry.

TEAMWORKS 2014 is an opportunity to gather for an exciting learning experience and to foster friendships in a bond of cooperation and success.

Education, innovation and networking are key focal points during this event. The half-day educational session will highlight the latest product launches to give formulations an added edge, and technology exchanges will occur throughout the exhibition.

Networking opportunities will also abound-grab a colleague during the buffet luncheon, sit down together and debate product development strategies. Arrive a day early to network during the Social Night with some of the great minds in the industry.

With 135 Exhibitors, you will want to plan your day ahead of time - check out the Teamworks Online Exhibitor Guide to see who will be exhibiting and their products and services!
