NOTES FROM THE CHAIR

Now that the Summer season has come to a close, the kids are back in school, vacation time taken, Football interest has replaced the Red's optimism on a post season appearance, and we are now at that Fall juncture of the OVSCC.

Our Annual Golf Outing is coming up on October 7th. This is our major fund raiser for the Chapter. It's a fun event as it is a "scramble", and even if you are not an experienced golfer you can contribute to your team. So get a foursome or sign up as a single participant to enjoy a good day of fun in the sun!

The Chapter is looking for members who are interested in becoming an OVSCC Board member. The only requirement is that you have to be a full and active member of the SCC. Brian Czetty will be assuming the position of Chapter Chair for the 2015 year. Please contact myself or any Board member if you have an interest in becoming an officer.

The November meeting will be a "Student Night", where several students from the University of Cincinnati Graduate Cosmetic Sciences Program present topics to the general membership. The new Board members are also installed at this meeting.

Please renew your SCC membership ASAP as our Chapter is currently in second place versus the other chapters in the Membership Retention Contest. There is a monetary prize for the winning Chapters.

Hope to see all of you at our September meeting.

-Joe Jenzio

OVSCC GOLF OUTING

OCTOBER 7th, 2014

Twin Oaks Golf and Plantation Club
Covington, Kentucky

ALL PROFITS GO TO THE OVSCC EDUCATION FUND

This fund helps heavily subsidize continuing education for our members. In the past, this money has allowed us to bring in CEP courses that have been very inexpensive or even free. Without support, we run the risk of not having enough money to continue this effort and explore new ways to provide low cost knowledge transfer to our members.

We would like to encourage all suppliers to help support this worthy cause.

Hole Sponsorship \$150 + 2 dozen golf balls.

Cost to Play

\$100/per person and includes:

18 holes green fees and cart fees

Lunch ticket (choice of sandwich & chips)

Draft Beer, Unlimited Sodas, & Bottled Water

Chips & Pretzels ... and after Golf the Back 9 BBQ Buffet

Time: Shotgun start @ 10:30am

Registration starts at 9am

SOCIETY OF COSMETIC CHEMISTS CALL FOR PARTICIPATION 2014 TECHNOLOGY SHOWCASE

In conjunction with the Annual Scientific Meeting

December 11, 2014 10:00 a.m. - 5:00 p.m.

December 12, 2014 9:00 a.m. - 3:00 p.m.

The New York Hilton & Towers Hotel, New York City

THE TECHNOLOGY SHOWCASE RUNS FOR TWO DAYS

Our members have a continual need to maintain their current awareness of new materials, emerging technologies, innovative services, and state-of-the-art equipment in their pursuit of developing tomorrow's cosmetic and OTC products. The "Technology Showcase" was begun to provide a forum for the chemists and scientists of suppliers and contract laboratories serving the personal care industry to present their most recent developments in a poster format. This "Showcase" combines the details of a scientific poster session with the pragmatic directness of a commercial exhibit (trade names, demonstration prototypes, and supportive literature presented). This venue as a part of the Society's Annual Scientific Meeting enables it to be an effective information medium for cosmetic scientists. Participants are invited to present their information in a poster format (4' x 8') to include experimental data, graphs, illustrations/photos, and prototypes on the technical attributes of the featured product or technology. Complete trade names as well as the INCI nomenclature is requested for ingredients. Companies wishing to participate are to submit an abstract of approximately 150-200 words of their intended presentation to the Committee on Scientific Affairs (COSA) on or before September 15, 2014. Abstract Cover Sheets can be printed from our website www.sconline.org. The abstract and cover sheet should be emailed to alynch@sconline.org. Abstracts must be in a Word Document format only. Abstracts will be reviewed on a "first come-first served" basis as the "Technology Showcase" is limited to the number of posters allowed. There is a flat fee is \$1,200.00 per poster. The fee does not include any Meeting Registrations per poster. Company representatives will be required to register for the Annual Meeting. Notification of acceptance will be made by October 20, 2014 and payment must be made in full by November 26, 2014.
