

SOCIETY OF COSMETIC CHEMISTS CAROLINA CHAPTER

Dear Potential Sponsor,

As the 2025 chair of the Carolina Chapter of the SCC, I am excited to share information about sponsorship opportunities for the Naturally Kiawah Symposium 2026. The Symposium will be held October 6th-8th, 2026 at the beautiful Kiawah Island Golf & Spa Resort, just outside of Charleston, South Carolina. We will explore advances in clean and sustainable technologies in the personal care industry, focusing on 'Innovating for sustainability: balancing consumer demand with environmental responsibility', all while enjoying the extraordinary setting of Kiawah Island Resort, which features a pristine 12-mile shoreline, an abundance of natural wildlife, and several top-rated golf courses.

Our CEP workshop, two-day Technical Symposium event, and Table-Top displays will continue to be held at West Beach Conference Center. This gorgeous venue offers plenty of spacious rooms and resort staff reflects the warmth of traditional southern hospitality. The significance of this event for the Carolina Chapter is crucial, as it helps fund our chapter meetings and achieve our chapter objectives for the coming years. These goals include chapter growth, member education, nurturing the next generation of cosmetic scientists, and enhancing the visibility of SCC at both corporate and student levels.

Our goal is to give back to our members by providing them with access to top-notch scientific and technological advancements. Sponsorships are critical to our chapter's success, allowing us to focus on our primary goals, which ultimately benefit our industry.
