Dear Chapter Members,

Thank you again for the opportunity to serve as your Chair for 2019. The other officers and I would like to thank all of you for your support to date in 2019. I would like to extend a big congratulations to your 2020 Carolina Chapter Board Members,

Chair, Steve O'Connor, Innospec

Chair Elect, Cheryl Hili, Burts Bees

Treasurer, Leslie Webb, Xytrus

Secretary, Divya Namjoshi, Ajinomoto

Their inauguration will take place during our final meeting at the Pump House on Thursday, November 21st. All the details can be found on page 4/5. We look forward to seeing you there.

Thank you to all who came to our Joint Chapter meeting with the Mid-Atlantic Chapter at the Historic Biltmore Estate where we hosted a two day CEP Course Basic Skin Sc5ience—Next Gen & Advance Skin Science by K.P. Ananth, Ph.D. & Randall Wickett, Ph. D. A special thank you to our speakers and the Mid-Atlantic Chapter. We had such a wonderful turn out and learned a lot from Dr. Ananth and Dr. Wickett. We also had a blast at the wine tasting!

As a reminder, I would like to encourage all of our chapter members to attend a career day at your local middle or high school to introduce Cosmetic Chemistry as a career option. If you are interested, please email me at scccarolinas@gmail.com and I will send you a presentation you can use during your visit. Afterwards, you can send us a picture at scccarolinas@gmail.com and the Chapter will cover your meeting fee for our the final meeting.

Kind regards—Angie Paez

Meeting Info

When: November 21, 2019

Time: 5:00—8:00

Agenda:

5:00-5:30 Registration and Cocktails

5:30-6:30 Presentation

6:30-6:40 Inauguration

6:40-8:00 Dinner

Speaker: Duane Krzysik,
Silicone Technical Manager,
Innospec Performance Chemicals
(Meet the speaker on page 5)

Topic: Exploring New Opportunities in Cyclic-Free Formulating

Abstract: The ever-evolving Personal & Beauty Care industry is soon to be faced with a regulatory requirement to formulate away from cyclic silicones in rinse-off products and more recently the proposed legislation to eliminate the use of cyclopentasiloxane and cyclohexasiloxane from all personal care products.

The removal of these valuable materials from the formulators' tool kit will challenge the best formulators to re-create cyclic-free products that provide benefits of cyclo-silicones that bring the same enjoyable experience for today's consumers.

This presentation will briefly discuss the proposed legislation and will help visitors to explore a range silicone blends that will assist with cyclic-free evolution. All without compromising on a high quality end product.

2020 CAROLINA CHAPTER BOARD

CONGRATULATIONS!

Chapter Chair:

Steve O'Connor, Director of Technology, Innospec

I look forward to an exciting year for the Carolinas Chapter in 2020 which includes our hosting of the popular Naturally Kiawah event. Our goals as a chapter will be to continue the growth in membership and participation that we have seen increase over the years. We are working hard to provide high quality events and speakers that will allow the chapter members to keep informed on industry trends and improve their knowledge as cosmetic chemists. My personal goal is to increase involvement in the chapter from our members. Please consider how you can get involved, there are a lot of opportunities

Chapter Chair-Elect

Cheryl Hili, Senior Scientist, Burts Bees

My goals for the SCC include; growing and increasing our visibility within the local industry, expanding our technical training offerings & connection to other chapters and increasing chapter support & chapter representation.

Chapter Treasurer:

Leslie Webb, Technical Service Scientist, Xytrus

I would like to improve student involvement in our local chapter. This past year the Carolina Chapter had more student involvement than previous years.

It has been a pleasure to see so many young scientists show interest in Cosmetic Chemistry and I would love to continue that growth. It is important to increase involvement in a mentor program for high school and college students. Work with local schools to inform them of our free course offerings for students.

Chapter Secretary-

Divya Namjoshi, Technical and Marketing Specialist, Ajinomoto

She is honored to have received an opportunity to be the Secretary for the SCC Carolina Chapter. She would like to use her skills in supporting the Chapter and learning and growing along with the team. With excellent teamwork, she would like to achieve greater success and make the industry stronger by supporting education and industry professionals.
