PRODUCT/SERVICE BACKGROUND INFORMATION

DKSH is amongst the leading global distributors of personal care and cosmetic ingredients and offers market expansion services for business partners in this industry. DKSH believes in creating sustainable, innovative, science-backed products that meet the customer's expectations and help drive our supplier's business success. Our comprehensive global network gives us instant access to markets world-wide enabling us to provide responsible and traceable sourcing of cosmetic raw materials and products.

WHAT IS THE COMPANY INTRODUCING TO THE MARKET/INDUSTRY?

DKSH's purpose is to enrich people's lives. For nearly 160 years, we have been marketing, selling, and distributing high-quality products internationally.

- Through our Business Unit: Performance Materials, we are committed to providing our partners with **responsible and traceable sourcing of cosmetic raw materials** that help them stay ahead in the fast-paced personal care industry.
- Through our **expertise and our network of 53 state-of-the-art Innovation Centers**, we at DKSH, offer a wide array of tailor-made solutions including formulation development, product troubleshooting, and ensure compliance with local markets.

HOW WILL THIS NEW PRODUCT/SERVICE IMPACT THE INDUSTRY (BENEFITS)?

By combining our deep industry knowledge with a dedication to innovation, DKSH continues to contribute to the industry's growth and drive positive change in the market. As a global leader, DKSH provides the industry with the latest insights and advanced customizable solutions. This means our partners can:

- Access cutting-edge technologies, enabling them to enhance their products and services.
- Create high-quality, sustainable products that meet the evolving demands of consumers.
- Align their offerings with market preferences, leading to increased consumer satisfaction and loyalty.
